LinkedIn: www.linkedin.com/in/laurenlambrecht01 | Github: https://github.com/laurenlambrecht | Portfolio: ___

I am a motivated and globally-oriented student at Claremont McKenna College studying International Relations and History. With hands-on experience in strategic analysis and market research for startups and international organizations, I thrive at the intersection of strategy, storytelling, and data. Passionate about product and market design and data-driven decision making.

EDUCATION
